Sonic Shock 5 Commercial Kit

Sonic Shock Plasma Commercial Kit

Methymethacrylate adhesive (glue)
 Order **1** for every every **4** Sonic Shock alarms

Order only what keys you want. (You might need none: if your customer already uses Sonic Shock, we can pin the alarm locks to work with their existing keys).

Spare parts and optional accessories. You don't normally need to order these.

Commercial Kits for multiple unit installations

These kits save you money by excluding glue & keys.
 Order what glue & keys you need as separate items.

(Want kits with a glue and 2 keys in each? See other page)
